General Information

Kids Club Contact Information

Contact person: Lisa Alemann or Jenn DeSpirito

Email: kidsclubs@saintstephenschool.org

- Students **will not** be provided a snack in the program. Please send an additional nut free snack for your child to enjoy during Kids Club activities.
- There will be no club programming on half days.
- Please be sure your child is aware of the clubs he/she will be attending each day. **Please make note of the dates on the calendar that are marked 'No Clubs'.**
- All materials required for participation are included in the cost of the program.
- Programs may have differing prices due to varying costs of running each program and the number of days each program is in session.
- Each club has a maximum number of students that can be accommodated and a minimum number of students required to be registered in order for the club to be offered. The maximum participation and minimum required participation are not adjustable.
- All fees are **NON-REFUNDABLE**.
- Children who are in the regular after school program will be escorted at the end of their club by a designated teacher. Students are not allowed to leave the school building between school dismissal and the start of the Kids Club or athletic activity.
- There will be no make-up classes due to weather related issues or unforeseeable circumstances.
- Payment will be made through Smart Tuition. Families will be billed directly on the October statement. Failure to pay Kids Club program fees will result in denied services and forfeiture of the opportunity to register for future club activities.
- Dismissal from Kids Club activities will take place out of all three doors (recess yard, east side door, & west side door). The instructor will reach out prior to the first day of programming with dismissal information.
- You will receive a welcome email from each Kids Club teacher at the start of the semester and a second email halfway through the semester to provide an update on your child's participation in the program.
- Please note that the satisfactory completion of school assignments and homework are our priorities for all of our students. Kids Club and athletic activities are always secondary to completing homework and school assignments.
- Kids Club activities are educational and enjoyable, but participation is a privilege that is earned through positive interactions, cooperation, mutual respect and adherence to the school's policies and procedures. Students who fail to observe the school's code of conduct, or follow the Club teacher's behavioral requirements, will be subject to usual school disciplinary consequences, which may include dismissal from the program.

Registration Procedures

Monday Clubs

Semester Fee: All Monday Clubs have a fee of **\$390** unless otherwise indicated.

ELA Seminar *with Ms. Alexandra Williams*

Open to students in Grades 6 to 8

This ELA seminar will be discussing novels, plays, practicing students' writing skills, and also have the opportunity to ask more in-depth questions about students' ELA skills. Some of the books and plays we will be reading: Emma, Midsummer Night's Dream, Pride and Prejudice, The Lord of the Rings, To Kill a Mockingbird, The Crucible, The Adventures of Sherlock Holmes, The Divergent Series, and Tuck Everlasting. This seminar is to help students prepare for high school and also to introduce them to classical literature.

Pokémon Club *with Ms. Lissett Delgado*

Open to students in Grades 1 to 6

Do you love Pokémon? Maybe you just want to learn to play with your friends? At the Pokémon Club we welcome anyone from trainers as experienced as Ash to those just starting out to come and join in the fun! Each week everyone will either learn or be able to jump right in and start with Pokémon cards, or watch episodes so they can learn how to be the best trainer they can be. If you want to have fun with your friends and play your favorite games come to the Pokémon Club!

Trading Pokémon cards will be allowed and supervised to make sure everyone is trading fairly. If you're not interested in trading, email me and your child won't trade unless I'm updated.

Drawing Club *with Ms. Jess Cerrone*

Open to students in PreK-4 to Grade 2

Unwind after the school day in drawing club! Each week we will be working on our drawing and fine motor skills, and learning how to draw something new. We'll start each session by reading a story together, then create a drawing project based on each book, working with all different kinds of art materials. Explore your creativity in drawing club!

Chess *with Hex & Co.*

Open to students in Grades 1 to 4

Developing minds learn how pieces move and how to organize approach and defense in this introduction to chess and related abstract strategy games. No experience is necessary and time is dedicated to learning these games in small group play. Each class is spent playing both chess and games like Ynich, Abalone, Hive, and Othello.

Strategy Specialist *with Hex & Co.*

Open to students in Grades 4 to 8

We spend one week playing a new game, which involves instruction, consideration of "methods of approach" and strategies for gameplay. The second week is designed to allow participants to have a more in-depth experience by revisiting and reviewing the games and exploring various strategies and novel problem-solving skills. We then move on to a new set of games, in another two-week series, through to the end of the session.

Tuesday Clubs

Semester Fee: All Tuesday Clubs have a fee of **\$510** unless otherwise indicated*.

Sewing Stuffed Animals *with Ms. Katie Hultz Villareal*

Open to students in Grades 1 to 8

Do you love stuffed animals? Do you want to learn how to design and sew your own stuffed animal creations? Join the sewing stuffed animals club! In this club students will learn some simple stitches to sew their stuffed animals by hand. After one guided project students dive into creating and sewing their own stuffed animals. Students generally complete between two and four different stuffed animals over the semester - depending on their level and the size of their creations. You do not need to know how to sew to join this club - I will be there to help you learn. Come create with us!

SSH Cheerleading *with Mrs. Kelly Schmidt*

Open to students in Kindergarten to Grade 4

Are you full of SSH spirit and want the world to hear it? Well, this is the club for you! We will learn cheers, chants, and a dance. We will also perform at our school pep rally and other events. Make new friends, exercise, and have fun with the SSH Cheerleaders! Can't wait to see you there!

Kids Kitchen *with Ms. Jenn Roche and Ms. Maureen Massaroni*

Open to students in PreK-4 to Grade 2

Let's get cooking! Students are invited to embark on a culinary adventure with Ms. Maureen and Ms. Jenn! Let's explore fun and tasty recipes, all while learning about nutrition, measurements, and important culinary tools. The best part? On the final week of Kids Kitchen, students will each bring home their very own cookbook filled with all of the recipes we used! Let's put those taste buds to the test!

F2FBFF *with Mrs. Kelly Strain*

Open to students in Grade 5

This social-emotional club focuses on teaching girls* how to build face-to-face friendships by working through what it means to be a good friend. Through journaling and team-building activities, we will work through 30 guidelines that teach the participants how to build strong friendships. This class will go over self-awareness, self-confidence, how to be a good friend, how to choose friends wisely, and how to use correct techniques for conflict resolution. Participants will receive an F2FBFF tool kit that includes: a personal Friendship Guidebook/Journal, folder, fun pen and pencil, vinyl stickers, and a bookmark all in a cute tote to keep it organized. Also, stay tuned for the F2FBFF Spring Session which will be a continuation of this program that will be offered to both 5th and 6th Grade. **Although this program is designed for girls, it is open to all genders!*

Force Basketball Academy *with Force Basketball Coaches*

Open to students in Grades 3-5

NYC's premier basketball program, Force Basketball, has partnered up with St. Stephen's of Hungary to provide a safe and fun program right at your school! Led by some of the top trainers/coaches in the city, this Force Basketball Academy will help elevate your child's game to the next level! We will focus on improving basketball skills, with an emphasis on ball handling, passing, shooting, defense, and game fundamentals.

Open to students in Grade 2 to Grade 8

I am so excited to work in conjunction with Mrs. Strain on the school musical this fall! In this club students will learn about musical theater and work to bring the characters of our school play (Annie) to life! We will be crafting, brainstorming, sewing, and more. You are welcome to join if you are in the play, or if you are more of a background musical lover - all are welcome!

Coding with CodeSpeak Labs

Open to students in Grades 2-4

Computational thinking is a critical 21st century skill. CodeSpeak Labs teaches computer programming so that students Grades 2-4 can learn fundamental coding concepts that nurture creativity and problem solving skills early, providing them a foundation for success in any future academic and career path. We also love seeing how much fun kids have while learning to build their own digital animations and games!

Wednesday Clubs

Semester Fee: All Wednesday Clubs have a fee of **\$480** unless otherwise indicated.

Creative Writing *with Ms. Jessica Gonzalez*

Open to students in Kindergarten to Grade 2

Here is a chance for your children to get a boost in their writing skills while also gaining the wonderful opportunity to express themselves creatively through writing! Children will use words connected to art, drawing, etc. for self expression, journaling and creative thoughts. Each week, children will explore the art of daily journaling using prompts, pictures, and other resources to engage and open their minds. Children will also dabble in story telling individually and in groups, even going as far as creating theatrical performances for their peers using their stories. The possibilities are endless here in “Creative Writing Club!”

Around the World *with Ms. Katie Hultz Villareal*

Open to students in Grades K-8

Do you love to travel and learn about other cultures? Join the Around the World Club! Each week we ‘travel’ to a new country. We have a snack from that country, do a traditional craft, and fill out our passports with things we have discovered. Say ‘cheese’ for your passport photo, and come travel with us!

STEAM Engineers *with Ms. Evelyn Koch*

Open to students in Grades 3-5

Does your child want to design, engineer, and test their creations in a STEAM challenges club? Each session will have a read aloud book or real life event connecting to the challenge of the day. Students will have the opportunity to work as a team to problem solve and think critically as they complete the engaging challenges. The STEAM engineers will follow the design process: ask, imagine, plan, create, experiment, and improve. Students will be able to eat their own snack during the read-aloud. Let’s start creating our STEAM innovations!

Crime Scene Investigators *with Ms. Aggie Koch*

Open to students in Grades 6-8

Crime Scene Investigators will explore the world of forensic science. Students will be new recruits learning the skills needed to solve the crime. These activities will be an engaging way for students to practice using their logic, inference, analysis, and critical thinking skills. Students will learn more about fingerprinting, evidence collection, crime scene analysis, chromatography, toxicology, and blood typing. The club culminates in a true crime scene investigation where they will solve the crime before the evidence disappears! Will the guilty party escape?

Arts & Crafts *with Ms. Lissett Delgado*

Open to students in PreK-4 to Grade 5

Hey Artists! You are going to be given different types of materials (paint, glue, clay, cotton, etc.) and a theme of the day to create! Use your mind to find what that theme looks like to you! Mix and match to shape your art and bring it to life! Take your work home afterwards and share your creativity with friends and family! Some days there will be challenges like “Must contain the color green” or “Must use cotton balls” to see how you will add this challenge to your art!

SportsWorld *with Parker Anderson Enrichment.*

Open to students in Grades 2-5

The SportsWorld program is a fun and exciting way for kids to develop their motor skills while learning the basics of many different sports and games. Dribbling, passing, shooting, and hand-eye coordination are all practiced as students play basketball, soccer, dodge ball, capture the flag, and much, much, more. Our emphasis is on sportsmanship.

Thursday Clubs

Semester Fee: All Thursday Clubs have a fee of **\$420** unless otherwise indicated.

Debate and Forensics *with Ms. Alexandra Williams*

Open to students in Grades 5-8

In Debate and Forensics students will grow in their confidence to public speak, learn about (Drama, Humor, Oral Interpretation, or Duo), and present their pieces to their teammates and compete in competitions. Forensics is the collective term for both speech and debate. Most tournaments have both speech and debate events, and student commonly "double enter" or "cross enter" and compete in one debate event and one or two speech events at the same tournament.

Clay Club *with Mrs. Ros Sterling*

Open to students in Grades K-8

Clay Club members will explore different ceramics techniques like pinch pots, coils, and slabs to create lots of different self-directed projects. Students with more experience will get to invent their own projects if they wish, and students who are just starting out will get lots of hands-on time and instruction. This club is a fun way to work with clay!

Board Game Mania *with Ms. Lissett Delgado*

Open to students in Grade 2 to Grade 8

Bored? You won't be with these board games! You will be competing against your friends with a mystery game pulled out of a hat! The game will choose you and 1-3 other friends to play! The winners of each competition will get to pick from the special treat bin! However, everyone is a winner and will go home with a treat at the end of the day! Think and strategize a way to win!

Fairytales and Classics *with Ms. Laurel Wyatt*

Open to students in Kindergarten to Grade 3

Dive into some favorite stories and classic literature. Each week we will read, retell, discuss and share ideas related to tales like: The Princess and the Pea, The Ugly Duckling, Peter Pan, Mary Poppins, Three Billy Goats Gruff, and more. Throughout the semester you can expect your child to work on reading and writing, as well as role playing and crafts as they relate to each fairytale and fable.

Friday Clubs

Semester Fee: All Friday Clubs have a fee of **\$240** unless otherwise indicated*.

Creative Game Design *with Hex&Co*

Open to students in Grades 1-4

Young designers will have the chance to conceive and create their own board games or Role Playing Games from brainstorming to gameplay! Students will create the rules and the physical components for their games, and finally, play the games they've created or written. Students will learn about popular game mechanisms like deck building, worker placement, cooperative play, world-building, etc. They will also practice play testing and revise their own games based on play-tester feedback. Students will be able to understand the parts of the game, be able to identify and utilize their knowledge.

Keyboard *with iPianoLab*

Open to students in Grades K-8

PianoLab is the fresh, fun way to learn piano or keyboard, right at school! iPianoLab teaches all the keyboard basics on songs kids really love; whether it's Imagine Dragons or Olivia Rodrigo, Encanto or Star Wars, Zelda or Super Mario even Bach and Beethoven. they're all within reach, right from the first lesson! Students learn in a fun, interactive group setting, with classroom 61 key keyboard and headphones provided for each child enrolled. Includes all books, music and learning aids, plus online tutorials and games, recitals and more!

Mini Force Basketball *with Force Basketball Coaches*

Open to students in PreK4-Grade 2

NYC's premier basketball program, Force Basketball, has partnered up with St. Stephen's of Hungary to provide a safe and fun program right at your school! Led by some of the top trainers/coaches in the city, this Force Basketball Academy will help elevate your child's game to the next level! We will focus on improving basketball skills, with an emphasis on ball handling, passing, shooting, defense, and game fundamentals.

***Ninja Academy** *with Parker Anderson Enrichment*

\$250*

Open to students in Grades K-2

Want to train like a ninja and create your own parkour obstacle course? Students will enjoy free-form movement, learn the basic disciplines of martial arts, and bring an awareness to themselves and their surroundings in this fun and engaging class! No challenge is too big for our apprentices!

School Sponsored Extracurricular Activities

Show Choir, School Musical, CYO Sports

Part of a well-rounded educational program, these St. Stephen School athletics and fine arts programs are an extension of the school's curricular offerings. Though there may be a cost or volunteer requirement associated with participation, these programs are largely subsidized by the school and any fees collected offset the actual costs to the school's annual budget, including: purchase and repair of athletic equipment; the payment of officials' fees; school security guard costs for practices, rehearsals, games and performances; league registration fees; transportation (bus rental fees); uniform purchases, etc. Fees do not pay building costs or coaching costs (which may be volunteers or employed by the school).

Show Choir

Show Choir *with Mr. Scott Laughead*

Full Year Fee \$100

Open to students in Grades 5-8

Time: Tuesdays, 3:15-4:15

SHOW CHOIR is for students in 5th - 8th grade who enjoy singing and want to learn a wide variety of choral music. The choir is featured in the Christmas and Spring choral concerts as well as special events throughout the school year. In SHOW CHOIR, students sing a wide variety of musical genres including Sacred, Pop, Broadway, Classical, Gospel, and Rock. The group meets each week for one hour immediately following school.

School Musical

School Musical—Annie JR. *with Mrs. Kelly Strain and Mr. Scott Laughead*

Semester Fee \$480

Open to students in Grades 6-8

Time: Mondays, 3:15-5:15

Saint Stephen of Hungary School is proud to bring you a full-scale musical this Fall. Annie JR. is based on the popular comic strip and adapted from the Tony Award-winning Best Musical. Annie JR. features everyone's favorite little orphan in her very first adventure out of the orphanage and into the home of Oliver Warbucks. This show has plenty of parts for boys and girls to go around, including featured roles, as well as ensemble parts for orphans, servants, and tourists. Students will sing, dance, and act, and as they create their performances they will develop a historical connection to New York City in the 1930s.

Important Dates Auditions will be held before the start of clubs on Monday, 9/12 with callbacks on Tuesday, 9/13. Dress rehearsal will be added on Friday, 1/20. Show dates will be Friday, 1/27 (school performance), and Saturday, 1/28 (public performance).

Students are required to be at all rehearsals and performances for this club. Once you are signed up you will be invited to the musical Google Classroom that will provide all resources for music, choreography, script, and role breakdown.

If you are interested in being the Stage Manager at no cost for this production, please contact Mrs. Strain at kstrain@saintstephenschool.org for an application.

Open to students in Grades 3-5

Time: Thursdays, 3:15-5:15

CYO Track

CYO Track Team**Full Year Fee \$150**

Open to students in Grades 5-8

Practice Times: Fridays, 3:30-4:30

Practice start date TBD

Join the CYO track team in the fall and get prepared for the meets in the spring! In the fall, students will have time to practice and stay fit. Track meets begin in April and will run through May. The season culminates in June at the CYO New York Championships. Fees help cover the cost of bus transportation to and from the track meets, as well as registration fees and league fees. The track team also asks parents for assistance with chaperoning these meets in the Spring.

Please note: Sponsoring a St. Stephen School track team represents a significant investment by the coach, the school, and the parents. To create the best possible athletic and team experience for our students, St. Stephen School asks its track athletes to also make an investment: students must complete at least 80% of team practices for the year in order to be sponsored by St. Stephen School for participation in spring track meets. Please do not register if you cannot or do not wish to practice after school with the team and follow all of the policies and procedures outlined by the coaching staff and administration to become eligible to participate in meets. We want this to be a true team experience for our student athletes and ask for their full commitment, along with the support of their parents. Practices are held after school at Carl Schurz Park (weather permitting) or in the auditorium.
